### AG Classes

#### Metamorphosis Cutting Techniques \$50 ✂

Explore AG's latest collection. Leave the class equipped with the latest techniques for texturizing, finishing and dressing the hottest cuts for 2010.

#### The Long & The Short of It Cutting \$50 ✂

In this hands-on session you'll learn two new haircuts, one long and one short. The Box Pleat is a fun, softly graduated, textured bob. The Fray updates a long look by introducing shape and movement.

### Brocato Classes

#### Texturista Cutting Collection \$75

Join Brocato Design Team member, Mike Kowallis as he introduces Sam Brocato's newest collection, focusing on texture and visualizing the hair's cut, color and shape as the fabric of today's modern hair design. Come see first-hand the step-by-step techniques of the Texturista Collection.

### Davines Classes

#### Texture Code + and - \$40

Learn the basics of Davines perms and relaxers, then get inspired by wraps, design and style. Davines perms and relaxer products are designed to give hair a soft, handcrafted, sculptural appearance that feels and looks like your clients were born with it. Get damage-free waves, curls or sleek, straight locks.

#### Mask Color Intro \$40

Mask Color Conditioning System is the hardware and this class is the software you need to make Mask outperform any other system! Achieve your clients' ideal colors through the power of technique, application and formulation you'll learn in this interactive workshop.

#### Color Insperience \$40

Explore the world of Davines and walk away awed by the science and inspired by the creativity. See new color and placement techniques involving all six Davines ColorSpace systems. Learn how to choose which system works best for each occasion, and how to incorporate them to create your clients' dream looks.

#### WellBeing Space \$40

In this workshop you will learn to diagnose, perform and prescribe Davines treatments to create health and happiness for your clients. Creating a space of WellBeing in your salon will set you apart and increase the loyalty of your clients. Also discussed is menu design, space layout and treatment protocol.

### Eufora Classes

#### Foundations I \$675 ✂

Precision haircutting systems are the foundation for all great creative haircuts & styles. This advanced technical curriculum provides instruction in a defined, precision English haircutting system focusing on classic, horizontal perimeter shapes, blunt & graduation. Course includes theory, demo, hands-on instruction & business-building skills.

#### Foundations II \$675 ✂

This advanced technical curriculum helps takes you to the next level in mastering your craft. You will learn systematic techniques for achieving interior shapes through directional and switch layering, as well as spherical and vertical cutting. Students will utilize and build upon the core haircutting system taught in Foundation I. Course will include theory, demo and hands-on cutting instructions of a minimum of 5 shapes.

### Kadus Classes

#### Balayage \$75 ✂

In this action packed hands-on experience with Kadus Creative Design Team Member, Mike Kowallis will teach a unique, foil-free method of freehand techniques to add color and/or highlights for consistent results. It is designed to create excitement by doing something different, while adding the opportunity for new services on every guest.

### Salon Services Classes

#### Waxing Theory, Practice & Brazilian Demo \$75

The class opens with a discussion of waxing techniques and methods for making waxing treatments lucrative for your salon, followed by a hands-on application practice session and ending with a Brazilian waxing demonstration. Students will practice on each other, so please come with at least 2 weeks of hair growth. No nudity is required of students.

#### Colors of Communication \$50

This session will boost your communication efficiency by recognizing four different communication styles. Learn which style you use, how to recognize the communication styles of others and the best way effectively communicate with each type of person!

### Youngblood Classes

#### Youngblood Basics \$100 ☺

Learn about makeup application, foundation color matching and how to recommend products to your clients. This class contains a demo and discussion of how to confidently discuss cosmetics with clients, plus a hands-on application lesson to practice color matching. You'll leave this class with increased confidence in discussing, applying and retailing makeup.

#### Youngblood Advanced \$100 ☺

Open only to students who have taken the Basics class. Learn to be more confident in your color matching skills, enhance the effectiveness of your client consultations and boost your sales dollar per ticket. Hands-on application time allows you to learn more about creating different looks for day and night.

☺ **Hands-on cosmetics class.** Participants should come with a clean, makeup-free face and a set of makeup brushes.

✂ **Hands-on hair class.** Please come prepared with necessary hair tools: shears, razor, thinning shears, dryer, vent brush, round brush, curling iron, flat iron, etc.

### Registration and Class Information:

- Registration is required for all classes
- Enrollment is limited and available on a first come, first serve basis
- Classes are for licensed professionals
- Payment must be received in full to guarantee a reservation and will be processed immediately
- All fees are non-refundable
- Salon Services reserves the right to cancel or change classes and only those registered will be notified
- Salon Services reserves the right to substitute educators without notice
- Salon Services reserve the right to cancel classes without assuming any liability beyond the value of the course fee

**To Register, Call: 800-251-4247 or 425-251-8840, x226**
